

TO: Prospective Applicants
FROM: Eric DeWald, President
SUBJECT: Foundant Online Application System
Date: January 24, 2017

The HealthPath Foundation of Ohio uses an online application system with Foundant Technologies.

To access our online application, please visit
<https://www.grantinterface.com/healthpath/common/logon.aspx>.

If your organization did not receive a new or renewal grant from HealthPath in 2016, you likely need to create a new account. Simply click on "Create New Account" and create your organization's account. Please refer to the attached instruction manual on how to setup an account and apply for the grant opportunity. Once you have created your account, you can click on Apply to complete and submit your letter of intent.

If you aren't sure if your organization has a Foundant account with us, please contact us and we can help you.

If you have any difficulty using the system, please contact Tara Behanan at 513-768-6139.
